What an impactful initiative! The Cyber Police invited five of our bright students to be a vital part of their "Cyber Awareness Campaign: YOUTH" podcast series. Each student, alongside Additional DCP Rajesh Dandotiya, Crime Branch, explored a crucial aspect of cyber safety: "The Net Crime," "Digital Safety," "Safe Surfing," "Digital Fraud Files," and "Protecting Privacy." This comprehensive series showcases the depth of understanding our students bring to these essential topics and the Cyber Police's commitment to educating the community. FLO women in STEM

Breaking the mold and building futures! DCBM teamed up with FICCI Flo Indore for a truly unique event, planting the seeds of STEM interest in young minds. And get this: the keynote speaker was an incredible ninth-grader, Vihana Desai, fresh off a win at a major robotics competition in the US! It's not every day you get such powerful inspiration from someone so young. A huge success!

World Environment Day

5 June

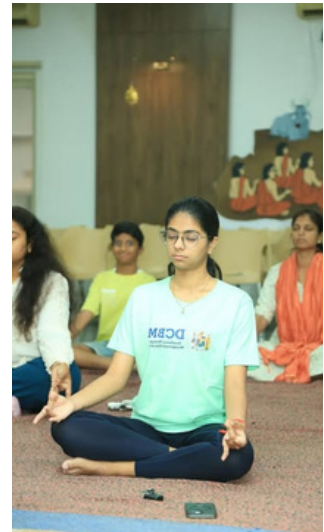

On World Environment, DCBM was proud to celebrate and contribute! We took a collective pledge with our students, staff, and citizens to conserve our environment and strive for a plastic-free future. Let's work together for a greener tomorrow!

DCBM in association with FICCI Flo Indore, hosted a truly captivating book review session on Michelle Obama's iconic memoir, "Becoming." It was more than just a book discussion; it was an inspiring exploration of resilience, evolution, and finding one's authentic voice. The conversations were as enriching as the book itself!

International Yoga Day

On International Yoga Day 2025, DCBM vibrated with positive energy! In a wonderful collaboration with Heartfulness, we united to embody this year's crucial theme: "Yoga for One Earth, One Health." It was more than just poses; it was a collective breath towards global well-being.
